Mr. Secretary,
Thank you
for coming.
I am glad
I came. A
landowner
does not a
cattleman or
a farmer

-2-

make. The
U. S. D. A
should not
be a welfare
system. It
should
support
American
farms which

-3-

do produce
for America!
Do not sell-
out. STAND!

Thank you.
I am a daughter
of farmers for
nerations. I
n tell you

What a farmer
does—works
from sunup
to sundown—
sacrifices—and
loves what he
does! He is
good at it, be-
cause God

gave him gifts which he uses to benefit Alabama, should be.

Sincerely

Mrs. Susan Giles

Mr.
Secretary

My father is Sam Streetman Jr. of Huntsboro, Alabama. I was a Streetman. I teach. (I could write a book about this.)

P. S. My father could really give some ~~good~~ advice.

Secretary
