Mr. Mike Johanns
Secretary of Agriculture

I am writing in regards to the 2007 Farm Bill. I am a Cow-Calf rancher. I have been in Ranching since 1945. I have seen the fluctuation of cattle prices by as much as 60%. I can't see why beef cattle can't be included in the Farm Bill. There hasn't been a government program on beef cattle since 1932 when so many were killed.

I would like to see a safety net in insurance and cost of production program
