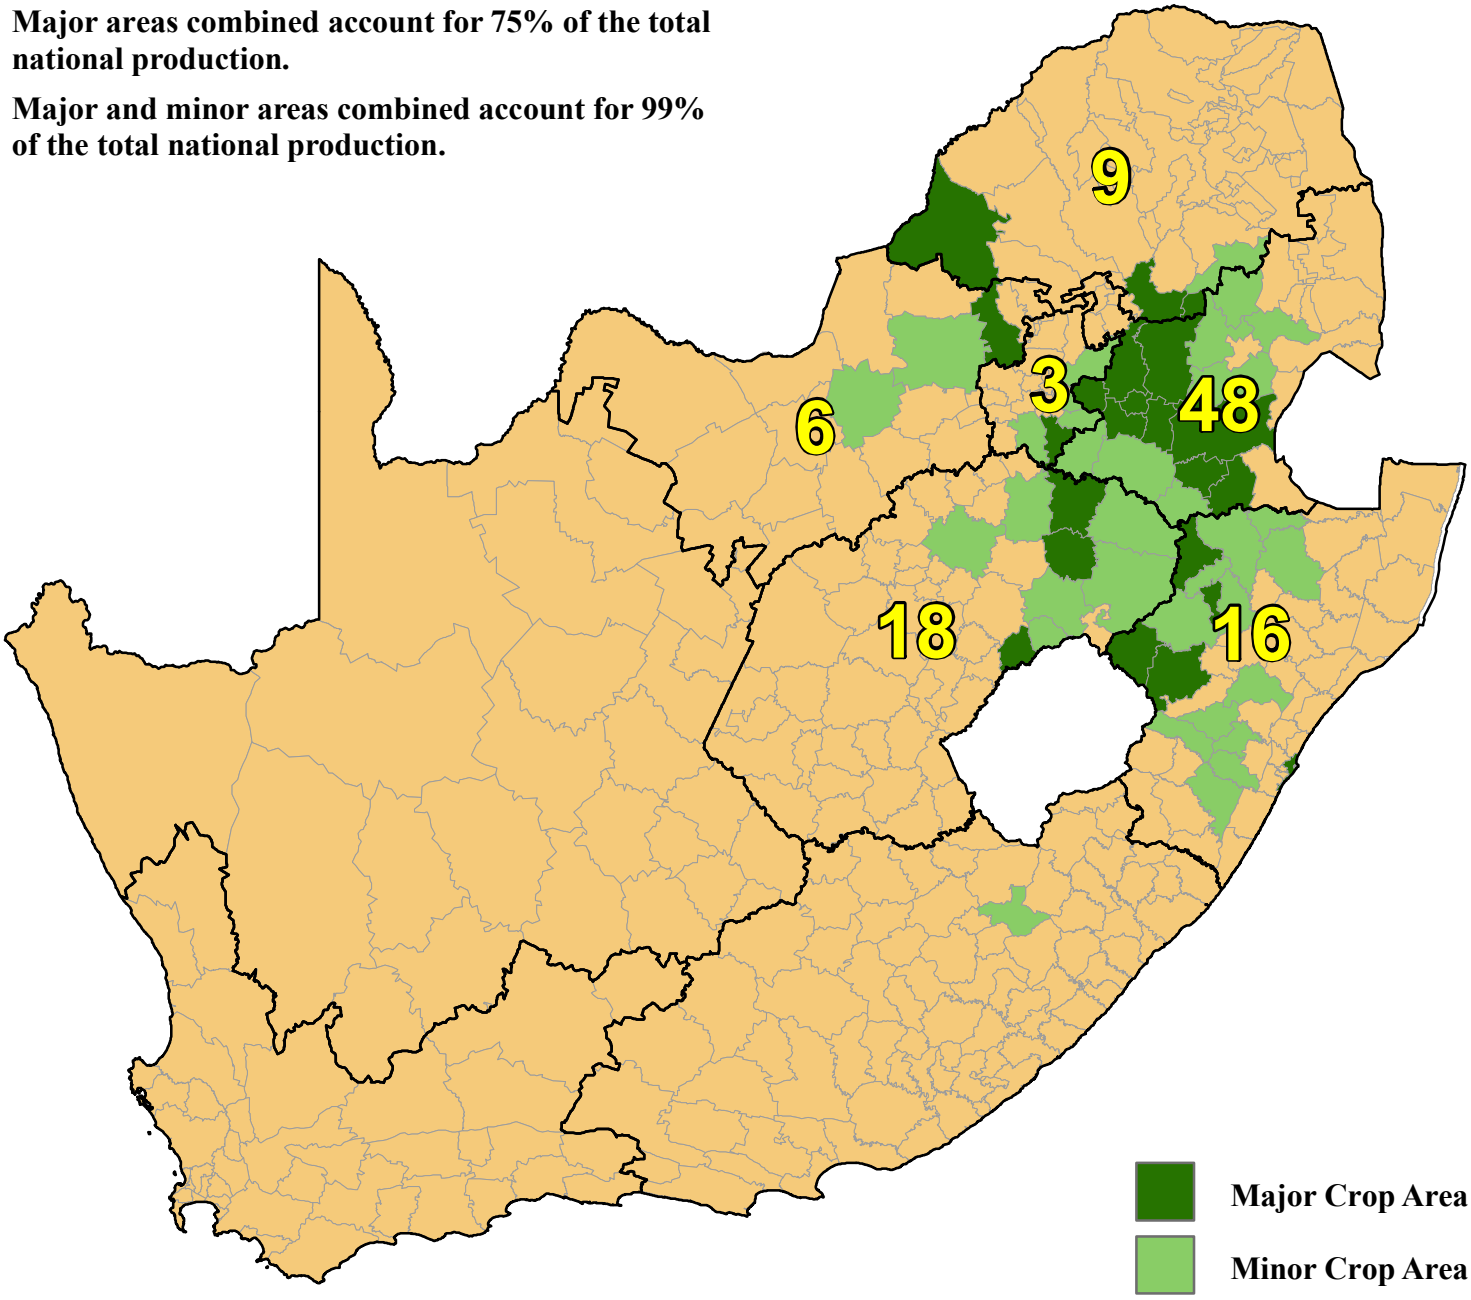
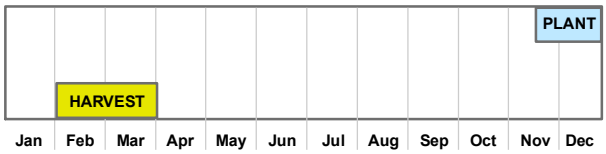
South Africa: Soybeans

- **Yellow numbers indicate the percent each province contributed to the total national production. Provinces not numbered contributed less than 1% to the national total.**
- **Major areas combined account for 75% of the total national production.**
- **Major and minor areas combined account for 99% of the total national production.**



Soybean crop calendar for most of South Africa



Note: Major and minor areas are based on district-level statistics derived from the 2002 Census of Agriculture (Statistics South Africa, 2006); provincial production percentages are based upon the 2004/05 to 2008/09 average of data published in the 2011 Abstract of Agricultural Statistics (Directorate for Statistics and Economic Analysis of the South Africa Department of Agriculture, Forestry and Fisheries).
