Question1: keep programs in place to insure profit. Begining farmer loans.

Question2: I yhink our exchange rate will take care of alot of that short term as our dollar is weak.

Question3: LDP payment should be tied to either direct yields or counter cyclical yields. Less work for FSA ,No audit.s. Harvest a farm take a LDP ON program yield...

Question4: Keep CRP.

Question5: Rural American economy is so dependent on the ag industry.

Tax incentives for not E85, E100 vehicle's!!! In Brazil they have them.

Question6: Value added crops are great as long as the farmer get's his fair share. I grow non-gmo corn ,I get 7cents extra.Sometime's I wonder if that is enough. The extra time is sometimes not worth it...
