FirstName: Richard

LastName: Guthrie

Address1: College of Agriculture

Address2: 107 Comer Hall

City: Auburn University

State: Alabama

zipcode: 36849

Question1:

Question2:

Question3:

Question4:

Question5:

Question6: I believe that the next farm bill, especially the Research Title, should authorize increased funding for projects that integrate two or more of the functional areas of teaching, research and extension. Expansion of the Internantional Science and Education Competitive Grants program is also needed to foster agriculture market expansion.
