Address2:

City: Valley Grande

State: Alabama

zipcode: 36703

Question1:

Question2:

Question3: Farm program benefits such as DCP payments should only be received by persons that are actually planting some type of crop.

Absentee land owners should not be eligible for payments just because they own land that has a base.

Question4: Programs to achieve conservation and environmental benefits should be designed for contracts that are not long term. Conditions change rapidly in the agriculture business, and long range plans are not always in the producer's benefit.

Question5:

Question6:
