Question1: FARM POLICY HAS NOT AT ALL "SERVED THE U.S. WELL". FARM POLICY HAS BEEN FOCUSED ON PROFITS FOR FARMERS TO THE EXCLUSION OF ANY CONCERN FOR WHAT THEIR PRACTICES DO TO CONSUMERS, LIKE INJURE AND KILL THEM. THE TOXIC CHEMICALS USED ON FARMS ARE OUTRAGEOUS. THERE SHOULD BE FEW TOXIC CHEMICALS EVER USED IN THESE BUSINESSES SINCE THEY END UP IN THE FOOD. THE ABUSE OF ANIMALS UNDER THE FARM PRACTICES IS OUTRAGEOUS AND OBSCENE. THE ANIMALS ARE TREATED LIKE THEY ARE WIDGETS ON SOME FACTORY PRODUCTION LINE. THE CHICKENS ARE STUFFED 4 OR 5 IN AN 8-1/2 BY 11 INCH CRATE. THEIR BEAKS ARE CUT OFF WITH NO ANESTHESIA, SOMETIMES TAKING PARTS OF THEIR MOUTH OFF. THEY ARE FED ENDLESS DRUGS. THEY LIVE IN AMMONIA, FETID, MANURE FILLED AIR. THEIR SHORT LIVES ARE HORRID. THEY ARE FULL OF STRESS. THEIR BABIES, IF MALE, ARE THROWN IN THE GARBAGE OR GROUND UP IN WOODCHIPPING MACHINES. HOW CAN ANYONE DO THAT TO ONE OF GOD'S CREATURES. THE COWS ARE KEPT PERPETUALLY PREGNANT SO THAT THEY NEVER HAVE RELIEF. THE COWS ARE MADE TO PRODUCE ABOUT 300% MORE MILK THAN THEY DID IN 1950 MAKING THEM SUBJECT TO MASTITIS AND PUS AND ILL HEALTH. THE MOTHER PIGS ARE PUT IN A WIRE CAGE AND NEVER ALLOWED TO MOVE OR TURN AROUND OR ANYTHING. HOW CAN SUCH OUTRAGEOUS PRACTICES CONTINUE. WE ARE ALL OUTRAGED AT WHAT AGRIBUSINESS IS DOING TO OUR FOOD. ALL OF US.

Question2: WE SHOULD PAY THE TRUE PRICE OF FOOD, NOT THE ABUSIVE OUTRAGEOUS PRACTICES THAT ARE ALLOWED NOW.WE MUST HAVE A LOCAL HEALTHFUL FOOD SUPPLY. BUT THAT IS NOT WHAT USDA HAS BEEN FOCUSING ON.

Question3: FARMERS ARE AMONG THE MOST PROSPEROUS AMERICANS. THEY ARE FAR MORE PROSPEROUS THAN THE AVERAGE AMERICAN. STUDIES SHOW THAT.FARMERS QUALIFY FOR PROGRAM AFTER PROGRAM AFTER PROGRAM. NOBODY HAS CALCULATED THE VALUE OF ALL OF THE PROGRAMS THAT FARMERS APPLY FOR. THEY GET REBATESON THEIR TAXES, THEY ARE COVERED UNDER PROGRAMS FOR LOSSES. ENDLESS PROGRAMS LIKE THAT. THEY HAVE A VERY VERY POWERFUL LOBBY IN WASHINGTON. AND LOBBIES ALL OVER THE STATES SO THAT AMERICANS HAVE NO IDEA OF ALL THE PROGRAMS FOCUSED ON FARMERS AND ALL OF THE SPENDING THAT IS GOIONG ON TO MAKE THEM PROSPEROUS. THEIR PROPERTY TAXES ARE ALMOST NON EXISTENT.

Question4: FAREMERS HAVE TAKEN A VERY ANTI ENVIRONMENTAL STANCE. THEY DRAG THEIR FEET ON CLEANING UP THE DIRTY AIR THEY PRODUCE. THEY DRAG THEIR FEET ON CLEANIN GUP MANURE LAGOONS, WHICH ARE AN ABOMINATION AND SHOULD NOT BE TOLERATED. THEY EXPECT TO BE ALLOWED TO USE TOXIC CHEMIMCAL AFTER TOXIC CHEMICAL TO THE DETRIMENT AND ILL HEALTH AND DEATH OF ALL AMERICANS.

Question5: THE TAXPAYER DOLLARS DEVOTED TO THIS END ARE ALREADY BANKRUPTING AMERICA. IT IS TIME TO SAY ENOUGH IS ENOUGH. NO INCREASES FOR THIS INDUSTRY. RURAL AREAS ARE IN FACT VERY VERY ATTRACTIVE TO MOST AMERICANS AT PRESENT.

Question6: WE DO NOT WANT EXPANSION - CONTINUAL EXPANSION. THE WORLD AND AMERICA ARE FINITE. THEY ARE NOT INFINITE. I DO NOT WANT MORE TAX DOLLARS TO GO TO THIS INDUSTRY. I WANT BETTER PRACTICES EMANATING FROM THIS INDUSTRY. THEY ALREADY GET ENOUGH TAX DOLLARS.
