Question1: If paying farmers to leave their land idle affects
this--PLEASE discontinue this ungodly policy--If a man who does not work
should not eat, let it be so with the land

Question2:

Question3:

Question4: By using all our land to produce the best harvests --
as Joseph did..God's policies are timeless...and far above,
man's limited wisdom...

Question5: By freeing the farmer from so much red tape and needless
paperwork and implementing programs that benefit quality production and
clean profit..

Question6: Encourage some of the above-especially orgANIC FARMING WHERE
IS AN ACCELERATED INTEREST AND NEED...
