Address2:

City: glenside

State: Pennsylvania

zipcode: 19038

Question1:

Question2:

Question3:

Question4:

Question5:

Question6: I would like the USDA to assist farmers in making the transition to organic, to encourage farmers to act as environmental stewards, and to establish programs reducing the use of antibiotics in animal agriculture. The USDA needs to keep it in mind that we, the American public should be represented..agribusiness is not your only constituent.
