FirstName: Dixie

LastName: Fletcher

Address1: 1116 N. parkway

Address2:

City: Memphis

State: Tennessee

zipcode: 38105

Question1:

Question2: If we stopped genetically engineering our food, they would certainly be more acceptable in Europe and Canada. It would also serve the world better and give us a better reputation.

Question3:

Question4: 1) Focus on providing sustainable farming (no GM foods, cleaner water and air standards)

2) Forget using our forests lands and subsidizing the destruction of forests in other lands to provide beef.

3) Encourage people to eat less meat - for health as well as sustainability!

Question5: We should expand the availability of funds for organic farming and other new technologies

Question6: 1) No GM subsidies

2) More careful labeling of organic farms and products

3) Renewable energy subsidies
