LastName: Estes

Address1: 629 Arguello Bl.

Address2: Apt. 303

City: San Francisco

State: California

zipcode: 94118

Question1:

Question2:

Question3:

Question4:

Question5:

Question6: We need to assist farmers in making the transition to organic, to encourage farmers to act as environmental stewards, and to establish programs reducing the use of antibiotics in animal agriculture. There is too much emphasis on Agribusiness and not enough emphasis on producing healthy nutritional foods that are as free of pollution as possible and are produced in an environmentally safe way.
