Address2:

City:

State: Virginia

zipcode: 22901

Question1:

Question2: There should be a minimum of government subsidies to farmers; such subsidies only serve to harm US taxpayers and international free trade.

Question3:

Question4: It is absolutely essential that the USDA take steps against the overuse of antibiotics in agriculture. Rather than being used in healthy livestock, these life-saving drugs should be reserved for sick humans.

Question5:

Question6:
