Greetings to a fellow displaced Cornhusker. I am writing to you today from Lancaster County Pennsylvania. My hometown is Palmer, Nebraska. I am writing to let you know I have been working with Mike Brubaker to set up

listening sessions in the Mid-Atlantic States and would like to extend the invitation to you to attend one of our listening sessions in the Northeast. To help try to break the stereotype that the farm bill is only for Kansas, Nebraska, and Iowa farmers. We have setup a meeting in West Middlesex in Mercer County. The truly interesting thing about this is that it will be at the same time that the Pennsylvania State Grange annual convention. Therefore it guarantee?s at least 150 people at the session due to the fact that you will have all of the delegates present. The meeting is an open

forum though and will be advertised to the public, your attendance will most likely increase that total and therefore you could have somewhere around 300 people show up. The meeting will be on October 21 at 7:00pm at the Radisson Hotel. I know your schedule is very tight and may already be full for this time, but I think it is a wonderful opportunity to hear from the farmers of the Northeast on issues facing this uniquely diverse agricultural area. So if you can find the time in your busy schedule to attend, all of us in the Northeast will greatly appreciate it.

Thank You for your time,

Steven W Stettner
