---

I ASS a small cattle man trying to enlarge mycattle bussnies find it hard to do .I have 3 son's and am trying to teach them that this is where they need to stay in bussines at.But when they see how hard it is for a small man to get help from the gov. they dont agree.But look at what is happing the land is going out of reach and the gov. tells you look for cheaper land, how is this posible when even the gov. has land that they want a forchane for.THERE IS 300 ARCES IN COSSACANA,TX.THAT I HAVE CHECKED ON THEY WHANT over\$500,000.oo and they have restichions on it so the gov does not incurage farm or ranchers eather.My prayer and hope is that one day the root,s of

this county will come back home to the rule america.People and gov.for get the little farm or rancher who has to work 2 jobs to do wath he or she loves to do (that is feed his or her county.I am 49 years of age have and am razing 7 children 4 of our own and 3 adopted.The 4 and 1 adopted are grown 2 are babbys.I live every day hopping to find the land and be able to get laons and are finacing from the gov.But this is another thig to the papper work is so coplex it takes cpa and usda and usda say they dont know are the ones in waxahachie tx say that. I have been 5 mouthes trying to get the pappers dne this tack to long. but my age will probley go aganst me. IT ONE OF THOSE DILLES do I trow my hands in the air and quit are keep on.4:30am. to 11:30 pm. this is my day thanks for hering one who tries but cant get anywhere. Robert L. High Sr.
