Question1: I'm not quite sure how to answer that. I know that I would like to see CRP continue and expand.

Question2: I have no comments on the subject.

Question3: I beleive that farmers who have land actively enrolled in CRP should get more assistance than a farmer who has no CRP.

Question4: By enrolling more CRP. CRP is not only for the sport of hunting, but is a habitat for many wild animals such as pheasant, quail and other various animals. These animals all play a roll in the environmental stability. That is why we need to continue CRP.

Question5: By enrolling and continuing to enroll CRP.

Question6: By touching on the issue of how they can help enroll more CRP
