Question1:

Question2: WE MUST STOP THE BIG FOOD CONGLOMERATES BUYING UP ALL OF OUR SMALL FARMERS. THESE FARMERS ARE OUR CITIZENS AND NEED ASSISTANCE. THEY MUST BE CONSIDERED IN THIS FARM POLICY. THESE FARM SUBSTUDIES NEED TO BE WITH HELD FROM THE LARGE CORPORATED GIANTS AND ONLY GIVEN TO THE FARMERS THAT NEED THEM TO SURVOVE IN THIS GLOBAL SOCIETY. I DO NOT BELIEVE THAT ANYONE, LARGE OR SMALL, SHOULD NOT BE PAID MONEY NOT TO GROW CROPS. THIS IS THE SAME THINKING THAT THE FEDERAL GVT. HAS ABOUT THE OIL INDUSTRY. LOOK WHERE WE ARE TODAY WITH OIL--A FEW LARGE CONGLOMERATES CONTROL ALL OF THE WORLD'S OIL AND PRICE. THESES FARMERS SHOULD BE GIVEN OTHER FOOD PRODUCTS THAT NEED TO BE GROWN. I AM SURE THAT THE USDA HAS EXPERIENCE PEOPLE TO TEACH THESE FARMERS TO GROW A NEW VARIETY. IF NOT THERE ARE MANY GRASS ROOTS ORGANIZATIONS THAT CAN. THANK YOU FOR YOUR TIME.

SINCERELY,
WILLIAM SATTERLEE
