LastName: Auer

Address1: 233 Pratt Road

Address2:

City: Dayville

State: Connecticut

zipcode: 06241

Question1:

Question2:

Question3:

Question4: Supporting conservation is an excellent goal. Encourage NRCS and other USDA experts to actively engage in teaching and assisting public groups in conservation projects. Assist groups such as the town conservation commission or local governments, not just farmers.

Question5:

Question6: Support organic and high-value specialty crops, such as nursery crops. Increase economic studies and scientific research to support these farm activities. Increase support for basic research into plant biology, livestock and integrated pest management.
