Address1: 1032 East O range St.

Address2:

City: Santa Maria Ca. 93454

State: California

zipcode: 93454

Question1:

Question2:

Question3:

Question4: Research involving issues of urban forest goods and services must be encouraged. Further, consumers do not necessarily buy goods and services. In reality the results of goods and services is consumed. Therefore more emphasis should be placed on the public health well being and economic vitality of urban and community forests.
