FirstName: Jeff

LastName: Mott

Address1: 35 Main Street

Address2:

City: Chico

State: California

zipcode: 95928

Question1:

Question2:

Question3: Farms should not get assistance unless it is tied to conservation practices like the CSP Program. Large Farms should not get the same proportion as the small farm. Farms should not be allowed to be split among family members where each can receive a subsidy.

Question4: The CSP Program should replace all other assistance programs.

Question5:

Question6: It shouldn't. This should be a free market system, with support through Universities.
