FirstName: Rod

LastName: Witzel

Address1: 1009 Pershing Blvd

Address2:

City: Worthington

State: Minnesota

zipcode: 56187

Question1: no comment

Question2: With a minimal amount of subsidies because they are eventually going to have to compete in a Global Environment without additional support.

Question3: A cap of \$250,000 per farmer/corporations.

Question4: By enhancing and greatly expanding current CRP programs and CREP programs. This is a win-win situation for everyone. Improves water quality, soil erosion, wild life habitat and hunting opportunities. Gives farmers a stable source of income.

Question5: By closely working together.

Question6: By providing farmers with clear and researched information about these possibilities.
