Question1:

Question2:

Question3:

Question4: I beleive that by continuing to fund programs generally called Urban and Community foresty the dept.not only helps the environment, but visuallly connects most americans with agriculture.. WE see how plants-trees- benefit our communities. Most of what the USDA does is for large companies but one tree on one street is for many people now and in the future.. Please keep planting trees in our towns. thanks ever jane
