Question1: Get rid of the USDA. It has caused more harm than good.

Question2: Get rid of the USDA. It has caused more harm than good which is typical of all government agencies.

Question3: Get rid of the USDA. It has done more harm than good.

Question4: Get rid of the USDA. It has caused more harm than good. In fact, no program has ever worked. Only the free market will work.

Question5: No Federal rural and farm programs have ever worked. I grew up on a farm. USDA and the Soil Conservation Service never helped anyone. The USDA is a waste of taxpayer's money.

Question6: Get rid of the USDA.
