Question1: AS A FARMER I WOULD NOT BE ABLE TO OPERATE IF MY LAND PRICES HAD NOT INCREASED OVER THE PAST FEW YEARS. THIS PRICE INCREASE GIVES ME MORE BORROWING POWER SO THE BANK WILL LOAN ME THE OPERATING CAPITAL I NEED. LAND PRICES WOULD NOT BE A FACTOR IN A FIRST TIME FARMER IF THE PRICE OF THE CROPS HE PLANS TO GROW WOULD KEEP UP WITH THE PRICE OF PRODUCTION. SOLVE THE SELLING PRICE PROBLEM FOR OUR CROPS GROWN SO THEY INCREASE AS TO COMPARE WITH THE INCREASED COST OF PRODUCTION THEN YOU SOLVE EVERYONES PROBLEM. I DON'T KNOW OF ANY OTHER BUSINESS THAT SET THE SELLING PRICE FOR SIX YEARS DOWN THE ROAD KNOWING THAT THEIR COST WILL GO UP IN THOSE SIX YEARS WITH NO WAY TO RECAPTURE THESE INCREASED COST. THE PRESENT FARM BILL LOCKED DOWN THE PRICE OF ALMOST EVERY CROP GROWN DUE TO THE FACT THAT UNDER THE FREEDOM TO FARM WE OVER PRODUCED AND PRICE DROPPED AND THESE CROPS WERE PUT IN THE CCC LOANS SO THE END USER NOW CAN BUY THE PRODUCTS OUT OF THE LOAN AT REDUCED PRICES. CONTROL PRODUCTION THEN YOU CONTROL PRICE AND EVERYONE WINS.

Question2: LETS FIRST TAKE CARE OF OUR OWN PROBLEMS THEN ONCE WE HAVE A WORKING MODEL HERE IN THE U S THEN WE CAN OFFER IT TO THE WORLD SO WE ALL COMPETE ON THE SAME FARMING PRACTICES.

Question3: HELP US GET PAID A FAIR PRICE FOR WHAT WE PRODUCE THEN WE WANT NEED A GOVERNMENT CHECK!!!!!!!

Question4: EVERY FARMER I KNOW LOOKS AFTER THE LAND HE OR SHE TENDS. AFTER ALL THAT PIECE OF DIRT IS WHERE THEIR PAY COMES FROM.

Question5: KEEP THE CITIES IN THE CITY AND LEAVE THE COUNTRY TO THE FARMERS AND RANCHERS. OR ONE DAY THERE MAY NOT BE NO NEED FOR A SEC. OF AGRICULTURE!!

Question6: LET THE END USER ADD THE COST TO RESEARCH AND DEVELOPEMENT TO THEIR PRICE THEY ARE THE ONES WHO WILL BENEFIT MOST FROM IT
