Question1: There should be mandatory Country of Origin Labeling on all food products in the U.S. to help the beginning farmer capture a greater margin

Question2: There should be mandatory Country of Origin Labeling on all food sold in the U.S. To show our over 40 trading partners that have COOL The U.S. is proud to sell its products in the U.S.A. and has the technology to do it just as cost effective as our trading partners.

Question3: Eliminate 5 layers of Government like New Zealand did to save money and limit the amount a farm gets to \$150,000 per year. Remember the food must be produced in the U.S. or we will become dependant on food as we are on oil.

Question4: Get out of the U.N. so the U.S. does not give up its soverntiye.

Question5: Mandatory COOL so that urban dwellers know where their food comes from and do not think every thing is at Wal_Mart

Question6: Mandatory COOL
