Question1:

Question2:

Question3: Place a ceiling on the dollar amount per farm based on farm size (production acres and live stock values).

Question4: I have long felt that such lands should be tax free if open to public recreation (hunting/fishing ect.)

Any farm receiving 100% of CRP or like subsidies should also be open to public recreation. If they do not want the tax payers guaranteed 100% payment.

Then maybe 50% of the payment to keep it private.

I have to purchase the land for myself without subsidies.
