Question1: It would be helpful but how is a very real issue. In a State with high land values even land under easement faces an increase in value.

Question2: COOL would help promote "locally grown" produce. We support "Buy Local" to help keep our growers viable.

Question3: RMA need to revise rules to accomodate entry level growers and growers who change crops to meet changing markets. The five year rule is unrealistic.

Question4: For MA several concerns are foremost.

- 1) Regional Equity
- 2) Conservation Technical Assist.
- 3) Full implementation of CSP

Question5:

Question6: I would support the examples cited.
