Question1: Cut off subsidies to large argibusinnes and rich farmers!

Question2: Open U.S. markets to poor Third World farmers and encourage

"fair trade" imports!

Question3: See No. 1!

Question4: Encourage; through subsidies and other programs,
conservation; (including cutting off Federal lands to destructive
development, total1)

Question5: Encourage infrastructure investment; (even in "get them off
of the farm" technologies!)

Question6: Encourage organic crops, renewable energy using crop and
forest product waste, and research into the above!
