Question1:

Question2: The USDA should propose eliminating the most egregious factory farming practices, such as crates for pregnant sows and veal calves and batter cages for laying hens.

Question3: Stop providing financial assistance to producers that participate in practices shown by scientific research to be inhumane.

Question4: Eliminating factory farming practices will benefit both animal welfare and the environment. USDA should propose setting minimum space allowances that provide animals the freedom to perform natural behaviors and also protect the environment by reducing waste disposal problems.
