Question1: Enact tighter and stricter payment limitations.

Question2:

Question3: 1. Give farmers back their crop bases on CRP land, as most land was enrolled during the previous farm program, which was to phase out farm payments and the need for crop bases. We were told there would be no more need for crop bases. Also through payment limitations.

Question4: Give CRP contract holders back their crop bases and open up new CRP signups to every one so the most enviromentally sensetive land could be enrolled.
