Question1: Help them to get the loan to get started. Let the ones that really do want to begin, a farm to get started don't turn them down on account of low income,or on account of paper work they don't understand how to fill out.

Question2:

Question3: That the USDA can not turn down the smaller farmer, that wants to purchase land, How come they will turh down a low income family, that really wants to start a family size farm??

Question4:

Question5: Let more low income people get loans for smaller farms.Take a lot of the restriction off the farms, and the people that are applying for loans.

Question6:
