

**KONA
COFFEE,
NOT FROM KONA?**

Unfortunately,
too many people think
"Kona Blends" are
"Kona Coffee".

They are not;
most "Kona Blends"
are 90% **NOT FROM KONA.**

Remember:
IF IT'S NOT 100%, IT'S NOT KONA COFFEE.

We need C.O.D.E. protection for Hawaii Coffee.
