RE: New Farm Bill

Dear Mr. Johanns:

I understand that you know that I have been extremely caused the loss of my crop wanted to put it back in longer eligible, and the acres. I surely hope that happening again.

If it happens that you try to get the portion that relates to the lost crop history in the bill. This would bring back the eligibility of former CRP acres and would mean a lot to me and other farmers who are experiencing the same problem. I am enclosing a copy of the letter I received from the FSA office which spells out the section of the bill which pertains to my plight. Hopefully, you can understand the problem, and recommend changes to make the policy work better for the farmer.

Thank you.

Sincerely,

*Lawrence Kiesow*
