

JOE BLUE HORSE: I'm Joe Blue Horse from Pine Ridge, Oglala Sioux Tribe. I just want to comment and ask you about a comment you made, MR. Bost, when you started that you were having these meetings because this program was coming up for reauthorization. Is it?

MR. BOST: Yes, Formula .

JOE BLUE HORSE: For the Food distribution Program on Indian reservations?

MR. BOST: It's one of the programs, yes, along with food stamps.

JOE BLUE HORSE: That's what Lyle was talking about here as far as the treaties. And the treaties didn't say anything about a farm bill.

MR. BOST: It may not, but Congress is going to debate it.

JOE BLUE HORSE: Okay.

DARLENE BARNES: Anyone else?
