

MR. THOMPSON: Yes. Richard Thompson, Fort Hall, Shoshone-Bannock Tribe, president of INCA again. Mostly I just wanted to second again what Ross said about using our organization to get the information out to folks. You know, that's one of the reasons why we have these meetings and why so many USDA programs and stuff are here. Because that's what we want to do, we want to help educate, help these programs get moving, help Indian Country in any way we can. So, again, like Ross said, we're yours. Use us.
