

THE WHITE HOUSE

WASHINGTON

October 1, 2010

I am pleased to send greetings to those observing National Cooperative Month.

When Americans work together, striving for a common purpose, we can change the lives of others in sustainable ways. Thousands of cooperatives across our country work towards this fundamental goal, delivering goods and services that impact countless individuals and communities. As you celebrate this successful, diverse business model during National Cooperative Month, I hope you take pride in your work to support and build local economies and strengthen our Nation.

I wish you all the best.
