Expansion classes in contracts**		1, 3			

Available contracts means that producers may obtain this type of contract. Place an X in the appropriate box to indicate that the type of contract is currently available to producers.
 **Place one of the following codes in the appropriate box to indicate the types of expansion provisions in use:
 (1) Terms that allow for a range in the number of swine to be delivered
 (2) Terms that require a greater number of swine to be delivered as the contract continues
 (3) Other provisions that provide or allow for expansion in the numbers of swine to be delivered

PSP Form 341

Producers are required to identify the number of swine that could be delivered under the existing contracts (7 U.S.C. 1916 and 9 CFR 206). Submission will constitute a PSA 222.

OMB Control No. 0980-0010

**USDA Grain Inspection, Packers and Stockyards Administration
Packers and Stockyards Programs**

According to the Packers and Stockyards Act of 1910, no person are required to register for a collection of information unless it carries a valid OMB control number for this information is 0980-0010. The time required to complete this information collection is estimated to average 2.5 hours per monthly prepared and submitted report and 1.0 hour per electronically prepared and submitted report, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection.

MONTHLY REPORT: ESTIMATES OF SWINE TO BE DELIVERED UNDER CONTRACT

Submit a separate report for each plant. Provide estimates for each of the following 12 months for all existing contracts. Submit one report by the 15th of each month.
