## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Change To Note.** New column (d) is added to line 3 for specific tax matters. Use column (d) to specify tax information that is to be provided by the IRS. See the line 3 instructions on page 2.

**Purpose of form.** Form 8821 authorizes any individual, corporation, firm, organization, or partnership you designate to inspect and/or receive confidential information in any office of the IRS for the type of tax and the years or periods you list on this form.

Form 8821 does not authorize your appointee to advocate your position with respect to the Federal tax laws; to execute waivers, consents, or closing agreements; or to otherwise represent you before the IRS. If you want to authorize an individual to represent

you, use Form 2848, Power of Attorney and Declaration of Representative, instead of Form 8821. You may file your own tax information authorization without using Form 8821, but it must include all the information that is requested on the form.

**Taxpayer identification numbers (TINs).** TINs are used to identify taxpayer information with corresponding tax returns. It is important that you furnish correct names, social security numbers (SSNs), individual taxpayer identification numbers (ITINs), or employer identification numbers (EINs) so that the IRS can respond to your request.

**Fiduciaries.** A fiduciary (trustee, executor, administrator, receiver, or guardian) stands in the position of a taxpayer and acts as the taxpayer. Therefore, a fiduciary does not act as an appointee and should not file Form 8821. File Form 56, Notice Concerning Fiduciary Relationship, to notify the IRS of the existence of a
