SUBJECT: Small Business Competitiveness Demonstration Program –
Fiscal Year 2003 Set-aside Policy

This amends my January 22, 2003 memorandum to you concerning the above subject. The old construction codes (233, 234 and 234) reflected in my previous memorandum should show the new North American Industry Classification System (NAICS) for construction. The construction codes for FY 2003 should be **(236, 237 and 238)**. **The FY 2003 set aside policy for construction (glazing contractors) should be NAIC 238150** instead of the old code 235920. Everything else remains the same.

If you have any questions, you may contact me or have someone from your staff contact Stella Hughes at 720-7117 or 720-6840.
