My agency uses Employee Express.

Geographic Boundaries

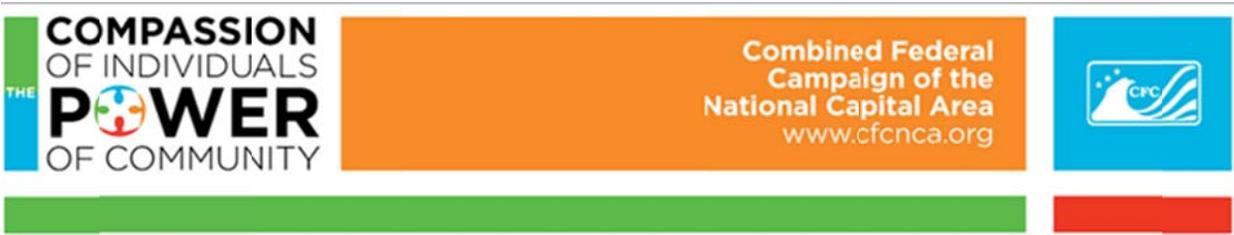

Note: This tool is intended for Federal employees in the Washington, DC Metropolitan Area and the State Department employees overseas who donate through the Combined Federal Campaign of the National Capital Area (CFCNCA). The National Capital Area includes the District of Columbia; the Maryland counties of Prince Georges, Montgomery, Calvert and Charles; and the Virginia counties of Arlington, Fairfax, Loudoun and Prince William (including all separately incorporated cities within the counties). Federal employees from other areas should visit the [OPM CFC website](#) for information on their local campaigns.

2. **Search for and Select Your Charities:** There are several easy ways to find the charities to which you want to give. You can search by key words or charity CFC number; by mission scope (national, local, international); maximum administrative overhead; programs; affiliations; proximity to a zip code; etc. You add the charities to your shopping "cart" (or to your "Favorites" if you don't have time to finish the pledging process right away). Don't have any favorite charities, or can't decide? You can also give any amount to CFC, and they'll decide how to distribute it - just go to step 3. and specify the amount you want to give to "Undesignated" charities.

The screenshot displays the CFCNCA e-Giving website interface. At the top, there is a header with the logo for 'THE COMPASSION OF INDIVIDUALS OF COMMUNITY POWER' and the text 'Combined Federal Campaign of the National Capital Area www.cfcnca.org'. Below the header, there is a navigation bar with links for 'Home | Events | Ne'. The main content area is titled 'CFCNCA e-Giving' and shows a progress bar with steps: 'Charity Search' (highlighted), 'Designate', 'Donor info', 'Review', 'Print & Submit', and 'Finish'. There are also buttons for 'view basket', 'view favorites', 'view history', and 'designate amounts'. Below this, there is a section for searching charities with tabs for 'Keyword Search', 'Programs', 'Affiliations', 'Alphabetical', and 'Proximity'. The 'Keyword Search' tab is active, showing a search box with a 'Go!' button and a link to 'Keyword Search Tips'. Below the search box, there are checkboxes for 'Combine Search Options' (Keyword, Programs, Affiliations, Alphabetical, Proximity) and 'Mission Scope' (International Charities, National Charities, Local Charities). There are also input fields for 'Maximum Overhead' (set to 110%) and 'Minimum Overhead' (set to 0%). At the bottom, there are dropdown menus for 'Sort results by' (set to Default) and 'in ascending order'. A link 'skip this step' is provided for users who want to make an 'Undesignated' pledge.

3. **Designate Amounts You Want To Give:** After you've selected your charities, click on "designate amounts" and add the % or dollar amount you want to contribute.
