

# North Dakota

The potential to grow and make innovative products in rural America is limitless. Since 2009, the Obama Administration has made targeted investments to help rural businesses grow. Through the U.S. Department of Agriculture’s projects in affordable housing, energy efficiency, roads and bridges, and internet access, coupled with loans and grants for rural businesses, the Administration has helped to attract and retain a talented rural labor force, improve connectivity and access to information, move products to market, and make rural communities competitive—**ultimately supporting strong local economies and expanded opportunity for rural North Dakotans.**

## SPOTLIGHT ON LOCAL

The North American Bison Cooperative received funding to assist a value-added bison processing facility, which supports local and regional bison producers by providing a USDA certified facility.

Local food sales were valued at \$11.7 billion in 2014. In North Dakota, USDA has invested in 262 local food projects, helping to develop food hubs, small-scale processing, farmers markets and other market opportunities in local food.

### SUPPORT FOR RURAL BUSINESSES

USDA has made investments to help **162 rural businesses in North Dakota thrive and grow.**

USDA investments in everything from advanced biofuels manufacturing facilities to food hubs help businesses, many of them small, capitalize on emerging markets for rural-made products. **In rural America, small businesses support one in three jobs.**

### RENEWING RURAL MANUFACTURING

The rural economy includes more than products that come from farms.

**Rural manufacturing supports 13,399 jobs in North Dakota.** USDA has invested **\$26.3 million** to help rural manufacturers in **North Dakota** increase production and capacity.

### GROWING EXPORTS

In 2013, exports of farm and ranch products alone contributed **\$4.1 billion** to **North Dakota's** economy.

The President’s Made In Rural America initiative helps rural businesses capitalize on demand for American-made products and identify ways they can participate in global markets.

### HOUSING

Access to safe, affordable housing is critical to maintaining the rural labor force. USDA has helped **3,056 North Dakota families** purchase or repair homes.

### CONNECTIVITY

USDA has invested **\$376.7 million** in telecommunications projects serving **rural North Dakotans**, which has **helped** to expand access to state-of-the-art health care, educational, and cultural resources and helps rural businesses compete in the global economy.

### WATER

USDA has invested **\$130.6 million** to support efficient water supply, treatment and storage facilities, and wastewater treatment systems. That investment has **improved the health of thousands of rural North Dakotans** who now have access to clean water and reliable sanitation.
