

Toby Cohen

Toby Cohen is Vice President Market Analysis at ASR Group. ASR is the largest vertically integrated cane sugar refiner in the world. Toby has over 25 years of experience in commodity markets. He started work as a futures broker in 1990 and then moved into physical trading. In 1997 he was posted to Singapore where he experienced the impact of the Asian financial crisis on commodity markets. On his return to London in 1999 he became actively involved with Brazil before moving from trading to analysis in 2002. As Head of Analysis he sought to bridge the commercial needs of the physical business with economic disciplines. He was appointed to the board of Czarnikow Group in 2006 later becoming head of Czarnikow's global advisory business. He joined ASR in October 2014 and is based in London.
