

China: Groundnuts

- Major Crop Area
- Minor Crop Area

- Yellow numbers indicate the percent each province contributed to the total national production. Provinces not numbered contributed less than 1% to the national total.
- Major areas combined account for 75% of the total national production.
- Major and minor areas combined account for 99% of the total national production.

Note: Major and minor areas and provincial production percentages are derived from prefecture-level and provincial production data from 2008-2010. These data were obtained from provincial agricultural departments.

Groundnuts crop calendar for most of China
