DATE: March 23, 2004

SUBJECT: Audit Guide for the Child and Adult Care Food Program (No. 27029-2)

TO: Ron Vogel

Effective immediately, the subject audit guide, dated February 18, 1999, is rescinded and is no longer posted on OIG's website. Based on discussions with your staff, we have decided that the guide is no longer needed and that the compliance supplement for the Child and Adult Care Food Program should be used instead.
