UNITED STATES DEPARTMENT OF AGRICULTURE

BEFORE THE SECRETARY OF AGRICULTURE

Docket No. 12-0168

In re: Michael Brent Wagner,

Respondent

**Default Decision and Order** 

**Preliminary Statement** 

This disciplinary proceeding was instituted under the Packers and Stockyards Act, 1921,

as amended and supplemented (7 U.S.C. § 181 et seq.), (Act), by a Complaint filed on January

10, 2012, by the Deputy Administrator, Packers and Stockyards Program, Grain Inspection,

Packers and Stockyards Administration (GIPSA), United States Department of Agriculture,

alleging that Michael Brent Wagner (Respondent) willfully violated the Act and the regulations

promulgated thereunder (9 C.F.R. § 201.1 et seq.) (regulations).

The Complaint and a copy of the Rules of Practice Governing Formal Adjudicatory

Administrative Proceedings Instituted by the Secretary Under Various Statutes (7 C.F.R. §

1.130) (Rules of Practice), were served upon the Respondent by certified mail on January 17,

2012. Respondent was informed in the letter of service that an Answer should be filed pursuant

to the Rules of Practice and that failure to answer would constitute an admission of all the

material allegations contained in the Complaint.

Respondent failed to file an answer within the time period prescribed by the Rules of

Practice (7 C.F.R. § 1.136), and the following Findings of Fact, Conclusions of Law and Order

## **Findings of Fact**

- 1. Michael Brent Wagner (Respondent) is an individual with a mailing address in the state of Texas.
- 2. Respondent, at all times material herein, was:
  - (a) Engaged in the business of buying livestock in commerce on a commission basis; and
  - (b) Not registered, as required, as a market agency buying livestock in commerce on a commission basis, with the Secretary of Agriculture.
- 3. In a certified Notice of Default Letter dated April 26, 2010, and received by Respondent on May 4, 2010, Respondent was informed that the Packers and Stockyards Program had information that he was buying and selling livestock in commerce and was therefore subject to the Act and the regulations. Respondent was further informed that in order to come into compliance with the Act and the regulations, he must complete and file an application for registration and obtain a condition 2 bond or bond equivalent. Respondent was informed that the amount of bond coverage must be based on the average amount of livestock purchased during a period equivalent to two business days, but in no case could the bond be less than \$10,000.00. Respondent was also informed that continuing to operate subject to the Act and the regulations without registering and/or filing the applicable bond or bond equivalent could result in a complaint being filed in a United States District Court or an administrative complaint being filed.
- 4. Notwithstanding such notice, Respondent continued to engage in the business of buying livestock in commerce on a commission basis without being registered as a market agency with

the Secretary and without maintaining an adequate bond or bond equivalent as required by the Act and the regulations from July 2010 to October 2010, in violation of the Act and regulations, as set forth below:
