OAO and the grantee agree that:

1. All grant activities shall be limited to those authorized by the section 2501(a)(2) of the Food, Agriculture, Conservation, and Trade Act of 1990; and this grant agreement.
2. This agreement shall be effective when executed by both parties.
3. The grant activities approved by OAO shall commence and be completed by the date indicated above, unless earlier terminated under part B16, of this grant agreement.
4. The grantee shall carry out the OASDFR grant activities and processes as described in the approved statement of work incorporated into this grant agreement. Grantee will be bound by the activities and processes contained in the statement of work and the further conditions contained in this grant agreement. If the statement of work is inconsistent with this grant agreement, then the latter will govern. A change of any activities and processes must be in writing and must be signed by the approval official or his/her designee.

5. The grantee shall use grant funds only for the purposes and activities approved by OAO in the OASDFR grant budget. Any uses not provided for in the approved budget must be approved in writing by OAO in advance.
6. Travel expenses charged will not exceed the allowable cost in 2 CFR part 220.
7. Unallowable Costs: The following costs are unallowable under this award unless otherwise permitted by law or approved in writing by the ADO:
  - (a) Costs above the amount authorized for the award;
  - (b) To pay obligations incurred before the beginning date or after the ending date of this agreement except as covered by administrative waiver process;
  - (c) Costs incurred after the expiration of the award including any no-cost extensions of time;
  - (d) Costs which lie outside the scope of the approved award and any amendments thereto;
  - (e) Entertainment costs regardless of their apparent relationship to award objectives;
  - (f) Business meals may not be charged as award costs when individuals decide to go to breakfast, lunch, or dinner together when no need exists for continuity of a meeting. Such activity is considered to be an entertainment cost. In contrast, it is OAO policy that a formal group meeting being conducted in a business atmosphere may charge meals to the award if such activity maintains the continuity of the meeting and to do otherwise will impose arduous conditions on the meeting participants. Note: Meals consumed while in official travel status do not fall in this category. They are considered to be per diem expenses and should be reimbursed in accordance with the organization's established travel policies;
  - (g) Compensation for injuries to persons or damage to property arising out of award activities;
  - (h) Consulting services performed by a Federal employee during official duty hours when such consulting services result in the payment of additional compensation to the employee;
  - (i) None of the funds under this award may be used towards travel costs for OAO employees;
  - G) To pay for any capital assets, the purchase of real estate or vehicles, the improvement or renovation of the grantee's office space, or for the repair or maintenance of privately owned vehicles; and
  - (k) Any other purpose prohibited in 7 CFR 3015, 3018 and 3019.

**NOTE:** Costs which have been determined to be unallowable, whether by statutory or regulatory mechanism, may not be used to meet any required non-Federal share of costs.

8. The grant funds shall not be used to substitute for any financial support previously provided and currently available or assured from any other source.
9. Administrative Waivers: In accordance with 7 CFR 3019.25(e) of the Uniform

Administrative Requirements and Other Agreements with Institutions of Higher Education, Hospitals and Non-Profit Organizations, OAO is exercising its option and is waiving prior written approvals (i.e., recipients need not obtain such prior approval(s)) for the following situations for all awards to which these terms and conditions apply.

- (a) The PD may incur pre-award costs within the 90-day period immediately preceding the effective date of the award providing: the approval of pre-award spending is made and documented in accordance with the awardee's normal procedures prior to the incurrence of the cost(s); the advanced funding is necessary for the effective and economical conduct of the award; and the costs are otherwise allowable. Pre-award expenditures are made at the awardee's risk. AOR authority to approve pre-award costs does not impose an obligation on OAO: (1) in the absence of appropriations; (2) if an award is subsequently not made; or (3) if an award is made for a lesser amount than the awardee expected.
- (b) The AOR may make allowable budget changes and other required administrative prior approvals except those which change the scope or objectives of the award, change key personnel, create a need for additional funding, or are specifically prohibited by the terms and conditions of the award. In addition, where a statutory prohibition exists the awardee may not approve such costs.

\*Note that statutory language or agency policy may limit the maximum potential award period (including any awards transferred from another institution or organization). The award period will commence as of the effective date cited in the award instrument. Any such limitation also applies to subcontracts made under awards subject to an award period limitation.

*The award period is as specified in this grant agreement.*

10. The dispersal of grants will be governed as follows:

- (a) In accordance with title 31 of the Code of Federal Regulations part 240 and 210, grant funds will be provided by the U.S. Department of Health and Human Services (HHS) as cash advances. The grantee must submit Standard Form (SF) 270, "Request For Advance or Reimbursement" and an itemized pro-forma budget of quarterly activity for the advanced amount identified in the (SF) 270. The financial management system of the recipient organization shall provide for effective control over and accountability for all Federal funds as stated in 7 CFR parts 3015 and 3019.
- (b) Cash advances to the grantee shall be limited to the minimum amounts needed and shall be timed to be in accord only with the actual, immediate cash requirements of the grantee in carrying out the purpose of the planned award. The timing and amount of cash advances shall be on a quarterly basis for activities identified in the statement of work. Additionally all cash advances shall be administratively feasible to the actual disbursements by the grantee for direct program costs (as identified in the grantee's budget) and proportionate share of any allowable indirect costs.
- (c) Grant funds should be promptly refunded to the OAO and redrawn when needed if

the funds are erroneously drawn in excess of immediate disbursement needs. The only exceptions to the requirement for prompt refunding are when the funds involved:

All these duties must be conducted in targeted areas named in the Statement of Work. Though grant activities are required in these targeted areas, this does not preclude work in other areas of need. Please indicate in the Quarterly Performance Report, which targeted areas had work completed during the quarter the report is for. If areas not listed in the Grant Documents are being worked in, please indicate this in the Quarterly Performance Report. The Office of Advocacy and Outreach (OAO) will monitor performance reports to ensure that minimum performance requirements are being met.

The ultimate beneficiaries of the above must be current or perspective socially disadvantage farmers or ranchers as stated in your Statement of Work.

(b) Quarterly reports will be submitted within 15 days, but no later than 30 days after the end of each calendar quarter. Quarterly reports shall consist of an original and one copy of SF-269, "Financial Status Report," and a quarterly performance report summarizing the grantees monthly activities and accomplishments for the prior quarter. Item 10, g (total program outlays) of SF-269, will be less any rebates, refunds, or other discounts. Quarterly reports shall be submitted to a designated official at the OAO National Office or emailed to [OASDFRAward@osec.usda.gov](mailto:OASDFRAward@osec.usda.gov).

(c) Within 90 days after the termination or expiration of the grant agreement, an original and two copies of SF-269, and a final performance report which will include a summary of the award's accomplishments, problems, and planned future activities of the grantee under OASDFR grants. Final reports may serve as the last quarterly report.

- (d) The OAO reserves the right to change the format or process of the monthly and quarterly activities and accomplishments reports.
12. In accordance with 2 CFR Part 220, Cost Principles for Educational Institutions (available in any OAO office), compensation for employees will be considered reasonable to the extent that such compensation is consistent with that paid for similar work in other activities of the State or local government.
  13. If the grant exceeds \$100,000, cumulative transfers among direct cost budget categories totaling more than 5 percent of the total budget must have prior written approval by OAO.
  14. The results of the program assisted by grant funds may be published by the grantee without prior review by OAO, provided that such publications acknowledge the support provided by funds pursuant to the provisions of section 14004 of the Food, Conservation, and Energy Act of 2008 (FCEA), Pub. L. 110-246, 122 Stat. 1651, 2205-2206, and that five copies of each such publication are furnished to OAO.

    - (b) Inform OAO as soon as the following types of conditions become known:
      1. Problems, delays, or adverse conditions which materially affect the ability to attain program objectives, prevent the meeting of time schedules or goals.
  16. The grant closeout and termination procedures will be as follows:
    - (a) Promptly after the date of completion or a decision to terminate a grant, grant closeout actions are to be taken to allow the orderly discontinuation of grantee activity.
    - (b) The grantee shall immediately refund to OAO any uncommitted balance of grant funds.
    - (c) The grantee will furnish to OAO within 90 calendar days after the date of completion of the grant, SF-269 and all financial, performance, and other reports required as a condition of the grant, including a final audit report, as required by 7 CFR parts 3015 and 3016, as applicable.
    - (d) The grantee shall account for any property acquired with OASDFR grant funds or otherwise received from OAO.
    - (e) After the grant closeout, OAO will recover any disallowed costs according to 7 CFR part 1403 which may be discovered as a result of an audit.
    - (f) When there is reasonable evidence that the grantee has failed to comply with the terms of this grant agreement, the Assistant Secretary (or his or her designee) can, on reasonable notice, suspend the grant pending corrective action or terminate the

grant in accordance with paragraph B, 16 (g)(1)(2)(3) of this grant agreement. In such instances, OAO may reimburse the grantee for eligible costs incurred prior to the effective date of the suspension or termination and may allow all necessary and proper costs which the grantee could not reasonably avoid. OAO will withhold further advances and grantees are prohibited from further use of grant funds, pending corrective action.

(g) Grant termination will be based on the following:

- a. Termination for cause. This grant may be terminated in whole, or in part, at any time before the date of completion, whenever OAO determines that the grantee has failed to comply with the terms of this agreement. The reasons for termination may include, but are not limited to, such problems as:

- b. Termination for convenience. OAO or the grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the award would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in case of partial termination, the portion to be terminated.
- c. OAO shall notify the grantee in writing of the determination and the reasons for and the effective date of the suspension or termination. Except for termination for convenience, grantees have the opportunity to appeal a suspension or termination under OAO's Informal Appeal Procedures in this grant agreement.
- d. Collection of the grant award will be according to 7 CFR part 1403.

17. Upon any default under its representations or agreements contained in this instrument, the grantee, at the option and demand of OAO, will repay to OAO forthwith the grant funds received with interest at the rate established annually by the Secretary of Treasury in accordance with 31 CFR section 901.9(b)(2).

18. Modifications of the statement of work, or changes in the grantee's budget may be approved by OAO provided, in OAO's opinion, the modification is justified and there is a likelihood that the grantee can accomplish the goals set out and approved in the statement of work during the period of the modifications.
