Respondents	}	Consent Decision and Order

This proceeding was instituted under Title I of the Federal Meat Inspection Act, as amended (21 U.S.C. §§ 601 et seq.) ("FMIA") and the applicable rules of practice (7 C.F.R. §§ 1.130 et seq., 9 C.F.R. §§ 500.1 et seq.) to indefinitely suspend Federal inspection services under Title I of the FMIA from Lemay and Sons Beef Co., and Mr. Richard Lemay, hereinafter referred to jointly as Respondents. This proceeding was commenced by a complaint filed by the Administrator of the Food Safety and Inspection Service (FSIS), United States Department of Agriculture (USDA) alleging that Respondents have not provided assurances to FSIS that all slaughtering and handling of livestock will be conducted humanely, as required under Section 3 of the FMIA (21 U.S.C. §603(b)), the Humane Methods of Slaughter Act (HMSA) (7 U.S.C. 1901 et seq.) and the regulations promulgated thereunder (9 C.F.R. Part 313). The parties have agreed that this proceeding should be terminated by entry of the Consent Decision and Order set forth below pursuant to the Consent Decision provisions of the Rules of Practice (7 C.F.R. § 1.138).

Respondents admit the findings of fact, as set forth herein, and specifically admit that the Secretary has jurisdiction in this matter. Respondents neither admit nor deny the remaining allegations and waive oral hearing and further procedure, and waive any action against the complainant under the Equal Access to Justice Act of 1980 (5 U.S.C. section 504 et seq.). Respondents consent and agree, for the purpose of settling this proceeding and for such purpose only, to the entry of this Decision.

Complainant agrees to the entry of this Consent decision and Order.

### **Findings of Fact**

1. Lemay and Sons Beef Co., at all times material herein, was an individual organization owned by Richard Lemay operating as a federally inspected meat slaughtering and processing facility under the FMIA at a facility located at 126 Daniel Plummer Road, Goffstown, New Hampshire, 03045.

2. Lemay and Sons Beef Co. and Richard Lemay also conduct poultry processing operations, under a grant of inspection issued by FSIS under the Poultry Products Inspection Act (PPIA) and conduct exempt custom slaughter and processing operations which are exempt from federal inspection under the FMIA at the above named establishment and facility. The Respondent Lemay and Sons Beef Co. was and has been designated as Official Establishment Number 9542/P-9542

3. Respondent Richard Lemay is identified as President and Owner of Lemay and Sons Beef Co.

4. On February 8, 2011, FSIS issued a Notice of Suspension of the assignment of inspectors under the FMIA at Respondents' facility due to incident of harassment, intimidation,

and interference by one of Respondents' employees against FSIS inspection personnel while performing inspection duties at Respondents' establishment.

5. On August 16, 2011, FSIS issued a Notice suspending the assignment of inspectors under the FMIA for livestock slaughter operations to Respondents' facility because of an act involving the inhumane slaughter of livestock in violation of 9 C.F.R. 313.2(f) and 313.30(a)(1). Respondents' submitted to FSIS proposed corrective and preventative measures on August 17, 2011. On August 18, 2011, FSIS found that the proposed corrective actions and preventative measures were appropriate to meet regulatory requirements, thus, FSIS held the suspension in abeyance, pending verification of the proposed action plan.

6. On October 27, 2011, FSIS issued a Notice of Reinstatement of Suspension of the assignment of inspectors under the FMIA for livestock slaughter operations at Respondents' facility because FSIS determined that the establishment again failed to slaughter animals humanely, resulting in an egregious act, in violation of 9 C.F.R. 313.15(b)(1)(iii), 313.16(a)(1)&(3), and 313.16(b)(1)(iv). Respondents' submitted to FSIS proposed corrective and preventative measures on October 28, October 31, and November 1, 2011. On November 1, 2011, FSIS found the proposed corrective actions and preventative measures were appropriate to meet regulatory requirements, thus, FSIS held the suspension in abeyance, pending verification of the proposed action plan.

7. On November 28, 2012, FSIS issued a Notice of Suspension of the assignment of inspectors under the FMIA for livestock slaughter operations at Respondents' facility because of an egregious act involving the inhumane slaughter of livestock in violation of 9 C.F.R. 313.15(a)(1) and (3). Respondents' submitted to FSIS proposed corrective and preventative measures on November 28 and 30, 2012. On November 30, 2012, FSIS found the proposed

corrective actions and preventative measures were appropriate to meet regulatory requirements, thus, FSIS held the suspension in abeyance, pending verification of the proposed action plan.

8. On July 8, 2014, FSIS issued a Notice of Intended Enforcement under the FMIA because of an egregious act involving the inhumane slaughter of livestock in violation of 9 C.F.R. 313.3(a)(1) and 313.30(a)(3), and (4). Respondents' submitted to FSIS proposed corrective and preventative measures on July 11 and 14, 2014. On July 17, 2014, FSIS found the proposed corrective actions and preventative measures were appropriate to meet regulatory requirements, thus, FSIS deferred further enforcement action, pending verification of the proposed actions.

9. On December 3, 2014, FSIS suspended the assignment of inspectors for livestock slaughter operations at Respondents' facility because of egregious act involving the inhumane handling of livestock in violation of 9 C.F.R. 313.15(a)(1) and (3) on that date. On December 4, 2014, FSIS issued a Notice of Suspension to Respondents due to Respondents' repetitive violations of humane slaughter regulations.

### **Conclusion**

Because the parties have agreed to the provisions set forth in the following Consent Decision and Order in disposition of this proceeding, the following Order will be issued.

### **Order**

Federal inspection services under Title I of the FMIA are suspended indefinitely from Respondents and, its owners, officers, directors, partners, affiliates, successors and assigns, directly or through any business or other device, for a period of three (3) years beginning on the effective date of this Order. Provided, however, said indefinite suspension of inspection services shall be held in abeyance, and inspection services shall be provided to Respondents under Title I

of the FMIA for so long as the conditions set forth below, in addition to all other requirements of inspection, are met.

**Company Requirements**

1. Prior to resumption of inspection services, and subject to verification by FSIS, Respondents' shall demonstrate that the structural, physical, and sanitary conditions at the establishment comply with applicable statutory and regulatory requirements under the FMIA and the Humane Methods of Slaughter Act (HMSA).

2. Prior to resumption of inspection services, Respondents' shall hire or appoint a Humane Handling and Slaughtering Lead, as well as one alternate Lead, who shall be responsible for the implementation, coordination, monitoring, recordkeeping, review and maintenance of the Respondents' Humane Handling and Slaughtering Programs established under this Order.

3. Respondents shall name the Humane Handling and Slaughtering Lead and alternate, including any change to the named Lead or alternate, only upon written request to, and subject to the written concurrence of, the Director, Enforcement and Litigation Division (ELD).

4. Upon resumption of inspection services, Respondents' shall implement and maintain compliance with statutory and regulatory requirements for sanitation, food safety programs, process controls, humane slaughter and handling, and all other applicable requirements, including, but not limited to Sanitation Performance Standards (SPS), Sanitation Standard Operating Procedures (SSOP), and a Hazard Analysis and Critical Control Point (HACCP), 9 C.F.R. Parts 313, 416, and 417.

### **Initial Assessment and Review**

5. Prior to the resumption of inspection services, and subject to verification by FSIS, Respondents shall conduct an assessment of its facility, operations, practices, and controls relative to compliance with statutory and regulatory requirements for humane slaughter and handling. The assessment shall be conducted by a qualified, independent third-party. The assessment shall address, at a minimum, the following:

- a. all regulatory noncompliance's documented by FSIS at Respondents' facility, including in noncompliance records, Notices of Intended Enforcement, Notices of Suspension, or otherwise documented;
- b. include a summary of noncompliance findings;
- c. provide an analysis of the problems at Respondents' facility which resulted in inhumane slaughter and/or handling noncompliance;
- d. evaluate Respondents' practices for movement of livestock to determine its effectiveness in minimizing animal excitement and discomfort;
- e. assess practices for handling disabled livestock to determine whether appropriate segregation procedures are in place;
- f. assess practices for animal euthanasia to determine whether procedures are in place to minimize animal suffering;
- g. identify where any livestock stunning problems occurred;
- h. assess the stunning methods used and its effectiveness in rendering animals unconscious and insensible to pain by a single blow; and

i. include any recommendations by any third party, including structural changes or repairs, management changes, employee training; new humane handling methodologies or programs.

6. Prior to the resumption of inspection services, and subject to verification by FSIS, Respondents' shall provide FSIS with a copy of the written assessment report, analysis, findings, and any corrective actions taken as a result of the initial assessment discussed above, including but not limited to any changes to structural conditions to the unloading ramps, pens, pen floors, driveways and ramps of the establishment.

#### **Humane Handling and Slaughter Program**

7. Prior to resumption of inspection services, and subject to verification by FSIS, Respondents' shall develop a written Humane Handling and Slaughter Program to ensure any livestock slaughtered or handled in connection with slaughter at Respondents' establishment comply with the FMIA, the Humane Methods of Slaughter Act and 9 C.F.R. Part 313.

#### **Humane Handling**

8. Respondents' written Humane Handling Program, shall at a minimum, address specific humane handling procedures to ensure:

- a. timely unloading of livestock from trucks with minimum excitement;
- b. humane handling of livestock by company officials, employees, etc.;
- c. the adequate construction and maintenance of pens, driveways and ramps,

including but not limited to: (i) they are in good repair, (ii) they are free from sharp or protruding objects; and (iii) that floors of livestock pens provide slip resistant surfaces;

- d. that the movement of livestock is done with minimum of excitement and discomfort to the animal;

e. that holding procedures address space limitation and appropriate structures in pens to ensure: (i) that floors and pens are designed to prevent pain and injury to the animals; (ii) that pens are free of loose boards or openings to prevent pain or injury to the animal; (iii) that pen structures are appropriate to size of animals to avoid overcrowding; (iv) that animals have adequate space to lie down and not trample on each other; (v) that livestock are placed in holding pens that provide functioning watering systems and animals can access to the water trough; (vi) that all animals that are held overnight are provided appropriate quantities of formula, feed and clean potable water at all times;

f. that disabled animals are not dragged;

g. that the movement of disabled animals is only done while unconscious and with suitable equipment to minimize suffering;

h. that procedures are identified and implemented to ensure that suspect and disabled animals will be segregated;

i. that procedures are in place for administration, monitoring and documentation of animal euthanasia to ensure minimal animal suffering; and

j. monitoring, verification, corrective and preventative actions, and recordkeeping that it will implement and maintain on a daily and on-going basis, to ensure that livestock are treated in a humane manner prior to slaughter.

#### Humane Slaughter

9. Respondents' written Humane Slaughter Program shall also address specific humane slaughtering procedures to ensure:

a. that stunning areas are constructed in a manner that limits the movement of animals;

b. proper restraining, stunning and monitoring of each individual animal prior to beginning of the slaughter process to ensure that each individual animal is rendered unconscious and insensible to pain before hoisting, shackling, sticking and bleeding;

c. that animals are stunned and become unconscious after a single blow or gunshot or by electrical stunning;

d. monitoring of animals to ensure that stunning is done at a place in which they immediately become unconscious and they remain unconscious after stunning throughout shackling, sticking and bleeding;

e. use of captive bolt, gunshot, electrical stunning and force is consistent with type of animals, size and age among others;

f. slaughter equipment used to render livestock insensible to pain and induce death due to slaughter is maintained and kept in good repair; and

g. administration, monitoring, and documentation of animal euthanasia is proper to minimize animal suffering.
