Fertilizer Outlook

StoneX Financial Inc. – FCM Division

Josh LinvilleVice President - Fertilizer

Disclaimer

The trading of derivatives such as futures, options, and over-the-counter ("OTC") products or "swaps" may not be suitable for all investors. Derivatives trading involves substantial risk of loss, and you should fully understand those risks prior to trading. Past financial results are not necessarily indicative of future performance. All references to futures and options on futures trading are made solely on behalf of the FCM Division of SFI, a member of the National Futures Association ("NFA") and registered with the U.S. Commodity Futures Trading Commission ("CFTC") as a futures commission merchant. All references to and discussion of OTC products or swaps are made solely on behalf of StoneX Markets, LLC ("SXM"), a member of the NFA and provisionally registered with the CFTC as a swap dealer. SXM's products are designed only for individuals or firms who qualify under CFTC rules as an 'Eligible Contract Participant' ("ECP") and who have been accepted as customers of SXM.

Neither the FCM Division of StoneX Financial Inc. nor SXM is responsible for any redistribution of this material by third parties or any trading decisions taken by persons not intended to view this material. Information contained herein was obtained from sources believed to be reliable, but is not guaranteed. These materials represent the opinions and viewpoints of the author, and do not necessarily reflect the opinions or viewpoints of the FCM Division of StoneX Financial Inc. or SXM.

All forecasting statements made within this material represent the opinions of the author unless otherwise noted.

Factual information believed to reliable, was used to formulate these statements of opinion; but we cannot guarantee the accuracy and completeness of the information being relied upon. Accordingly, these statements do not necessarily reflect the viewpoints employed by the FCM Division of StoneX Financial Inc. or SXM. All forecasts of market conditions are inherently subjective and speculative, and actual results and subsequent forecasts may vary significantly from these forecasts. No assurance or guarantee is made that these forecasts will be achieved. Any examples given are provided for illustrative purposes only, and no representation is being made that any person will or is likely to achieve profits or losses similar to those examples.
