**ORDER GRANTING SECOND REQUEST TO EXTEND THE TIME TO FILE AN  
APPEAL**

On December 7, 2021, Respondent filed a second request to extend the time to file an appeal to the Judicial Officer. In support thereof, Respondent filed a letter from Dr. Jeffrey Basford. The letter offers the following opinion based on Daniel Moulton's current medical condition:

When [Daniel Moulton] would be able to take part in a reliable basic conversation, much less the complex cognitive/communication activities of a court hearing, remains unclear. However, in my medical opinion, it will not be possible for him to do so for at least three months.

For good reason shown, Respondent's request is GRANTED. The time for Respondent to file an appeal is ORDERED extended to **March 8, 2022, at 4:30 p.m. (Eastern)**.
