Completing Grant Award Activities – ezFedGrants & Other USDA Systems
Quick Reference

The table below lists each agency currently using ezFedGrants along with various agreement lifecycle actions. Depending on the agency and the specific opportunity/agreement, you may be able to complete these actions in ezFedGrants ezFedGrants or elsewhere.

This table is intended to demonstrate that not all agencies use all ezFedGrants functionality; it is intended as a generic summary only. For more precise information, please contact a USDA agency representative or refer to the opportunity announcement or agreement documentation.

Glossary

The following vocabulary appears in the table below:

- **eFG:** ezFedGrants.
- **Agreements:** Includes agreement/grant award documents, Notice of Award/NOA, Award Packages, and amendments.
- **ASAP:** Automated Standard Application for Payments
- **Reimbursements:** Request for refund of expenses previously incurred
- **Advance Payments:** Requests for funds in advance of incurring expenses
- **Justifications:** Documents submitted after Advance Payments are disbursed to explain how the funds were used
- **Repayments:** Request for, or notice of intention to, repay funds previously disbursed to a recipient by a Federal agency. This table does not capture transfer of funds, just the repayment documentation/forms.
