

Jennifer McEntire
Vice President of Food Safety
United Fresh Produce Association

Jennifer McEntire, PhD, is Vice President of Food Safety at United Fresh Produce Association. A food microbiologist by background, she has worked in the Washington, DC area for nearly 20 years, bringing the scientific perspective to food safety regulatory issues. She was previously Vice President of Science Operations at the Grocery Manufacturers Association. She has also had roles as VP and Chief Science Officer at The Acheson Group and as the Senior Staff Scientist and Director of Science & Technology Projects at the Institute of Food Technologists. McEntire earned a PhD from Rutgers

University as a USDA National Needs Fellow in Food Safety and received a Bachelor of Science with Distinction, magna cum laude, in food science from the University of Delaware. She serves as an advisory board member of the Global Food Traceability Center, on the technical committee of the Center for Produce Safety, and is on the executive committee of the Food Safety Preventive Controls Alliance.
